2. PERSONAL PROFILE

I am a very hardworking person. I have been working with code since grade 10 and I have loved it ever since. My strong points include hardworking, Creative, and can learn easily. I'm a fast learner and am always looking for new opportunities to improve myself. I'm currently a member of my hostels house committee and have experience in managing projects and events. I have great people skills. I can speak both English and Afrikaans. On my off days I'm always relaxing with the people closest to me or I'm trying to improve myself with educational documentaries or hobbies. I'm flexible with any work that is given to me and I will try and do my best on any assignment.

3. CAREER OR GOAL OBJECTIVE

I am interested in improving myself and my skills in my field of study. I am always willing to learn and pick up new challenges along the way. I would like to improve my problem solving skills by using new and creative ways of thinking. When I come face to face with a problem I will face it head on and along the way ask for help. I am hardworking, determined, passionate and optimistic. I always go in with a smile and look at life with a glass half full type of attitude.
